

## OBSERVATIONS

- All pages that carry **"Defence Health Portal"** should be changed to **"Nigerian Army Hospitals Portal"** or **"NA Hospitals Portal"**.
- Anywhere **"Defence"** is mentioned, it should be changed to **"Nigerian Army"**.
- When the admin logs in, instead of having "Commander .....", let it just be name only, e.g **Olugbenga Raymond** and not **Commander Olugbenga Raymond**. The Commander can be removed for now. That Commander is supposed to be the rank of any person logged in be it Admin or Remitter. E.g **Cpl Peter Agbane** not **Commander Peter Agbane**.
- Anywhere there is "Military Formation", change it to "Formation" so as to maintain the Nigerian Army terminologies.
- Where you have **"Military Hospitals"** e.g **"Registered Military Hospitals"**, change it to **"Nigerian Army Hospitals"** i.e **"Registered Nigerian Army Hospitals"**.
- In the dashboard for user where you have **Officer Peter Agbane**, it should be changed to just the name of the user only for now e.g **Peter Agbane**. When everything is set, we will put the rank of the user.
- At the home page, only the Login link is working yet.
- In the Login form:
  - Change **"Defence Health Services Login"** to "Nigerian Army Capitation Fund Remittance Login". The below text can read **"Access your hospitals capitation Fund Management Account"**
  - **"Military Email"** should be changed to **"Email"** only.
  - In the password box, there should be an **eye icon to toggle password visibility**.
- In the Reports, there can be a medium of upload in the case of providing evidence to backup a dispute payment.
- In the payment, when making a payment through bank deposit, there can also be a medium of upload of evidence of payment.
- Failed login should read **"Invalid Login Credentials"** instead of **"Invalid Military Credentials"**.
- The Reports has not been integrated.
- At the home page:

- Defence Health Services should be change to Nigerian Army Health Services.
- For now, Contact should be: Headquarters, Command Finance Office, Arakan Cantonment, PMB 1339, Apapa, Lagos Nigeria. Email: [hq.cfoapapa@army.mil.ng](mailto:hq.cfoapapa@army.mil.ng), 09075768788
- In Resources, remove "Defence Health Policy" and Training Materials.
